# MOOSEBEAR

IN THE ALASKAN WOODS BEHIND HER HOUSE,  
A RELOCATED CA GIRL DETERMINED TO FIT IN BECOMES FRIENDS WITH  
A MAGICAL CREATURE TRYING TO HELP HIS NO-NONSENSE NEIGHBORS.

## ALESE

Hi, I'm Alese. I'm 11. I grew up in L.A. but my parents decided to move us to Alaska where my mom grew up. They think it's good for me to be around more nature. That's cool and all, but I'm not sure I fit in here.

## BERRY

You probably won't believe me, but my best friend is a moosebear. Moosebears are amazing! They have magical powers, can talk to animals, and can even become invisible! They usually keep to themselves, but Berry isn't like that. He's always trying to help others. He reminds me of this verse in Romans my dad taught me. He tries to live at peace with everyone, but it's not that easy since he's clumsy, silly, and can't control his invisibility! But, I really like that he never gets mad when the animals make fun of him for being different.

"IF IT IS POSSIBLE, AS FAR AS IT DEPENDS ON YOU, LIVE AT PEACE WITH EVERYONE."

-ROMANS 12:18 NIV

## EPISODES:

**MEETING MOOSEBEAR** Berry is shedding the velvet on his antlers and it itches like crazy. He crashes around the woods scratching on everything and ends up outside of Alese's house and finds that the newly built cabin works pretty well. Inside, Alese has been left alone for the first time. Despite her parents warning to not go outside, she investigates the noises and ends up meeting the strangest creature she's ever seen! After becoming friends, Alese helps Berry shed the rest of his velvet.

**CULTURAL DISASTER** Alese is performing a traditional Inuit dance with her family at the annual summer cultural festival. She tells Berry how worried she is, and he decides to go cheer her on. When Berry unintentionally causes one disaster after another, while exploring all the new human things: fair food, crafts, and rides, it's up to Alese to set him straight before he's seen, or worse, she's late for her dance routine!

**MYSTERIOUS RESIDENT** Berry's owl neighbor Ollie is sick of putting up with Berry, to make him happy, Berry moves into the garden shed at Alese's house. Alese's dad has hired her classmate Jack to come help him with yard work. As Berry rifles through the shed and his invisibility is on the fritz, Alese's dad thinks the shed is haunted, and Jack thinks it could be the monster he's been tracking. Alese frantically tries to keep Berry from being discovered, and convince him to take a stand for himself, by moving back under Ollie's tree.
